

## Services Offered

### Electrical Wiring

Elite paka's core competency is in managing electrical wiring We've been in business since 2000 and helped invent the construction management delivery process. Today, we are helping deliver facilities in a variety of ways that meet the needs of our clients. Those delivery methods include:

- Electrical Wiring
- Computer Wiring
- Cabling
- Electricals

### Building and Construction

Andrea Builders' core competency is in managing complex construction activities. We've been in business since 2000 and helped invent the construction management delivery process. Today, we are helping deliver facilities in a variety of ways that meet the needs of our clients. Those delivery methods include:

- Construction management
- Program management
- Design-build
- General Contracting

Andrea Builders is also comfortable acting either as an agent for our clients or assuming greater risk and taking contractual responsibility for the project. No matter what the delivery method, Gilbane is able to take projects from concept to completion and save our clients time and money.
