

Elite Paka Services

Elite Paka Services core competency is in managing complex electrical wiring. We've been in business since 1993 and helped invent the electrical management delivery process. Today, we are helping deliver facilities in a variety of ways that meet the needs of our clients. Those delivery methods include:

- Electrical Wiring
- Cabling

Elite Paka Services is also comfortable acting either as an agent for our clients or assuming greater risk and taking contractual responsibility for the project. No matter what the delivery method, Elite Paka Services is able to take projects from concept to completion and save our clients time and money.

Our projectsElite Paka Services has managed and been involved in many projects. To view a list of projects done by Elite Paka Services [click here](#)
